

Barrington Harbor Commission Meeting August 8, 2012

Present: Brian Hunt (Chairman), Anne Chapin, Jay Dwyer, Ben Chwalk, Ed Schottland, Paul Dennis, James Forster, Mike Reuter and Chip Hawkins

Also in Attendance: Bill DeWitt, Ray Sousa (HM) and Bill Cost

- 1.) Motion to approve 7/11/12 minutes by Chip Hawkins and seconded by Anne Chapin. All approved.
- 2.) Gerry Visconti sold his boat in early June and would like a year of grace. We have denied his request. He may have a charter agreement and will report back to Ray Sousa.
- 3.) Harbor Master's report: A quiet summer, no problems to date. Ray has reviewed boating activity at the request of 58 New Meadow Road and Riverside Drive and the patrols have not seen any dangerous activity. Ray discussed the Town's Right of Way and we asked Bill DeWitt to have the Town Council review all the Town's Right of Ways.
- 4.) No Sub Committee reports.
- 5.) Chairman's Report: Brian asked Chip to summarize Barrington Yacht Club's meeting reviewing the events surrounding the death of Lornzo Lucas during a Tuesday Night Racing Series. The crew of Shadow and the Barrington Race Committee did all the right things. Unfortunately the outcome was not to be favorable for Mr. Lucas no matter what was done on the water.
- 6.) Motion to adjourn at 8:22 pm
