Minutes of the September 25, 2014 Comprehensive Plan Workshop
Atria Bay Spring Assisted Living – 2nd Floor Activities Room
147 Bay Spring Avenue

- Open Meeting:** The meeting was called to order at 7:15 p.m.
- Present:** Michael McCormick – Chairman, Edgar Adams, Michael Carroll, Anne Galbraith, Adamson Streit, Lawrence Trim
- Absent:** Paul Dulchinos, Christine O’Grady, Jean Robertson
- Also Present:** Town Planner Philip Hervey

Agenda:

- **Presentation/Discussion: Comprehensive Community Plan Update**

Chair Michael McCormick presented a PowerPoint on the Comprehensive Plan update, including information on the process and required content of the plan, a discussion of major themes and key trends, and a summary of the Goals in the Planning Board’s working draft document. Mr. McCormick and other Planning Board members responded to questions from the public, mostly on issues related to affordable housing and natural hazards.

After the presentation, those in attendance were invited to review proposed actions organized by each element, presented on sheets on display in Activities Room. People had the opportunity to use yellow and red “sticky dots” to place next to actions they felt were priorities (yellow) or which they felt should not be in the plan (red).

Bonnie Warren presented the Board with information on property ownership in the George Street area (current and from 1938), and a list of the houses in town that have a historic plaque from the Preservation Society.

The meeting adjourned at 9:00 p.m.
