BUSINESS AGENDA

Dr. Lusi stated that the purpose of the workshop was to have a discussion on the possibility of an elementary school reconfiguration, due to the uncertainty of the 2006-07 school budget. She handed out a spreadsheet on Elementary Staffing Proposals – Plans A and B, and explained that she had met with the Principals that morning to finalize the proposals.

Much discussion took place about the pros and cons of regionalizing the elementary schools and what the potential cost savings would be. Approximately 25 parents voiced their opinions about regionalization and asked questions of the Committee and Administration. Most of the parents were opposed to regionalization, however, a small number were in favor of it.

Dr. Lusi stated that a Finance Subcommittee Workshop is scheduled for June 6th.

A motion was made by Mr. Croston and seconded by Mrs. Cortvriend to adjourn the workshop. So voted 6-0. The meeting adjourned at 8:30 PM.

Respectfully submitted,
