

NEW SHOREHAM SUPERINTENDENT SEARCH COMMITTEE

Block Island School

April 27, 2015

3:00 p.m.

The Superintendent Search Committee met in open session in the Superintendent's Office at the Block Island School. Chair Christopher Willi called the meeting to order at 3:05 p.m. The following members were present: Kate Butcher, Victoria Carson, Patricia Doyle, Judy Durden, Kristine Monje, Peggy Montgomery, and Christopher Willi. Robert Hicks was also in attendance.

**Approval of Minutes**

A motion (Doyle, Willi) to approve the minutes of the meeting held on April 13, 2015, as presented carried with a vote of 7-0.

**Finalize Questions for Candidates**

The questions used at previous superintendent search interviews were submitted and discussed. Each committee member took a section and updated the questions to current concerns. Committee members thought wording questions in a more positive way was a good idea. It was decided that members would rewrite their section(s) and email it to Marsha Gutierrez who will compile them for next week's interviews.

Committee members asked how they would "keep score". Marsha Gutierrez will email the matrix used previously to all members.

The committee will meet at noon on Tuesday, May 5 to review procedure, etc. It was suggested that perhaps a student could give the candidate a tour of the school prior to his/her interview.

**Adjournment**

The meeting adjourned at 4:21 p.m.

Marsha L. Gutierrez, Clerk

Date approved: May 5, 2015
