**LINCOLN SCHOOL COMMITTEE  
COMPENSATION SUBCOMMITTEE  
MEETING MINUTES  
LINCOLN RHODE ISLAND**

Date: October 17, 2013

Place: Lincoln Middle School Library  
152 Jenckes Hill Rd  
Lincoln, RI 02865

Time: 7:00PM

The meeting opened at 7:00 PM

School Committee Members present: Mary Varr, Tracey Cavanaugh, John Carroll

The committee reviewed and approved the meeting minutes from 9/9/2013

Discussion of comparisons of non-certified staff salaries across the state

The sub-committee compiled a chart that compared the salaries and discussed the data from the other school districts. It was noted that it was a bit confusing due to different job titles across the districts. However, the sub-committee will present their findings to the full school committee.

This information will be compared and discussed at the next subcommittee meeting.

There was general discussion with the public on the part time teacher assistant rates of pay and substitute custodian rates of pay. It would appear that these two positions have not had an increase in pay in many years.

The sub-committee would like this to be addressed during the coming budget cycle.

The subcommittee chair will ask the superintendent for that information.

The meeting adjourned at 7:45PM
