Gerry gives update on Manville Park Association. Balance of funds; has called Association attorney and still waiting for reply; -

Bill stated that parking at Lincoln Almond Field is very bad. The bar gate needs to be moved back as well as the boulders to create at least 15 more parking spaces. Car parking on Lonsdale Avenue is also very dangerous.

Old Business:

.

Bill gave an update of a meeting between the town Recreation Director, Public Works Director, Little League President, L YSA President, and one Parks & Recreation Commission member. John MacQueen is looking into an electrical design firm to handle design and bidding. Also, \$65,000 was put aside at the Town Financial meeting. Where is the balance of the funding coming from? Before this project goes to a formal design, all parties are to meet again to be in agreement.

New Busi. Gary said councilman Foster told him that there was a \$5 million bond on the ballot in November election. See about getting Lonsdale renovation money from this.

Kevin stated that the town Athletic Council is looking to Manville Park as the towns top Sports Complex.

Gary made a motion to adjourn at 8:14 PM and Gerry seconded.
