

## **TOWN OF LINCOLN**

### **PARKS AND RECREATION COMMISSION MONTHLY MEETING**

**March 11, 2015**

The meeting was called to order at 7:00 p.m. Commission members present were Chairman John Sharkey, Andy Bruscini, Steve Reynolds, Lee Ann Lamothe, Joe Goho, and Gary Stott.

#### **Commissioner's Reports:**

**Saylesville- Gary Stott – A lot of people have been on Barney's Pond ice fishing, skating, and playing hockey.**

**Lonsdale- Roy Coulombe- no report. John Sharkey reported that the flag pole rope and pulley needs replacement. Pretty snowed in, but the access road is plowed. Someone cut a path through the new gate and took the chain.**

**Albion- John Sharkey - Still working inside the building.**

**Manville- Lee Ann Lamothe – A lot of trash is immerging as the snow melts.**

**Fairlawn- Andy Bruscini – A lot of snow was pushed from the parking lot into the basketball courts. Gary Stott talked to the owner of the apartment building over there named Joe Kishfy. He said he is willing to come to a meeting to talk about any solutions for him to help with the basketball court area. He said he is willing to even pay to put up a fence because tenants have been complaining about the park.**

**Limerock- Steve Reynolds – Nothing going on at Lime Acres. Softball will lose time at Lime Acres- messy.**

**Quinville- Joe Goho – Looks good. Some cleanup needed with sand and trash. No damages and no graffiti.**

## **Old Business:**

**-Albion Park Status: They are still working on the inside of the building.**

**-Spring Sports Readiness: April 11th is Little League opening day hopefully if the field cooperates. We may need to think about some practices inside or maybe even shortening the season.**

**-Chet Nichols Field- A lot of light bulbs are out. Who is responsible for replacing and changing the bulbs? Is it the Town or the School? At night if a ball goes up in the air, you can't see it. Also, what is the perception of the people who come to watch the games with a lot of lights out? Do we need to go to the school department about this? It really should be done by the end of April or early May.**

**A motion to adjourn was made by Steve Reynolds, and the motion was seconded by member Andy Bruscini.**

**The meeting adjourned at 7:27 pm.**
