

The Board of Canvassers and Registration met on Thursday, April, 20, 2017, at 2:00PM, with Ed Murphy, Lauren Slocum, Bob Rapoza, Patty Aylesworth, Dottie McCarthy and Donna Collins present, for the purpose of a general business meeting.

Discussion:

1. E-Poll Books – Discussion is still at state house whether to buy or lease. Effects on local BOC's.
2. Early Voting – When the law passes the BOE will have focus groups to discuss how to proceed.
 - a. Manpower will be an issue for those worried about the \$600 limit before having a 1099. Some may lose other state programs if they go over a certain threshold.
 - b. Location will be an issue. Working on logistics with BOE.
 - c. Early Voting location will be our largest polling location.
3. BOC Training Manual – Let board know that it's still in the works and very inclusive. When it's done, we'll let them review.
4. NCOA – SOS's office will begin training sessions in May and June.

There being no other business to discuss, the meeting adjourned at 3:00pm.

Respectfully Submitted:

Patty Aylesworth
Director of Elections
