

Beach Commission Meeting Minutes of 11/10/2009

In Attendance: Bill Seiple, John Crimmins, Dave Leys, Rian Wilkinson, Frank Bozyan, Shawn Brown , Tim Shaw.

1- Minutes approved- spelling correction.

2- Fire pits- Second Beach

- **Bill Seiple presented images with two possible sites – East/West of concession. Also tentative plans for renting and supervision. Members also felt that Third Beach should be considered. Tim Shaw will contact the Fire Chief concerning any bon fire regulations and the chief's opinion on the concept (Report- New Year)**

3- Additional Exit- main lot- west side

- **This gate could be used as an “exit only gate” on busy days. It would lessen congestion at the main gate. It would also allow patrons, who are enjoying the bon fires, to leave after dark. It would have to be supervised due to the 2 lanes of on-coming beach traffic. Tim Shaw will bring the proposal to the Technical Review Committee for their opinion. Report – due New Year.**

4- Beach Communications

- **Shawn Brown will approve all necessary communication equipment and the Channel Modifications- Beach Management, Lifeguards, Harbormaster**

5- New Business

- **Wind sports**

- o **Rian reported that he had received an e-mail from Platt Johnson concerning wind sports at Second Beach. Rian responded that after some initial problems, the new ordinance worked very well and there**

was no need to revisit the ordinance or modify rules.

- **Third Beach Building**

- o **The Beach Commission/ Recreation Dept. will investigate the possibility of having a pre-fabricated restroom/changing room located at Third Beach. This would necessitate electrical service, as well as, D.E.M. approved.**

- **Beach Revenue**

- o **Shawn Brown reported that beach revenue was down approximately 10%. Considering the terrible weather, this is an outstanding result.**

- **Discount fees**

- o **Shawn Brown would like to investigate the possibility of discount coupons/passes to be used during the week only- not weekends.**

(New Year)

- **RV nightly parking**

- o **Tim Shaw and Bill Seiple will measure the parking lot and report at the December 10th meeting.**

- **Dune Conservation**

- **Snow fencing has been completed at Second Beach- St. Georges volunteers, Bill and Rian. Third Beach will be completed during the fall.**
