- 1. Opened Meeting 4:35pm**
- 2. Approved minutes of 04/14/2015**
- 3. Female guard room is completed.**
- 4. Showers- additional showers, the main building, will be postponed until the location of the dune overpass is decided- 2016. Rian noted that East Matunick State Beach has “tube” showers located on the main boardwalks.. functional and aesthetic.**
- 5. DPW has done another outstanding job preparing he beaches. Also the lack of winter erosion has left the beaches in good condition.**
 - a. Third Beach- from the NFW- out-flow to Peabody’s Beach is, almost, totally without stones at the high water mark.**
- 6. Dune program- Volunteers planted 1000 plants on the “town dune” Navy beach and adjacent NFW dune. This completes the town’s planting at Navy Beach. The adjacent NFW dune could use additional plantings on the road side. The grass would, not only, secure the dune, but cover the unsightly gravel.**
- 7. Grass planted at Second Beach this winter had varying results. Path #8 , about 20% survival. Path #1 & #2 (front) about 90% due to fence protection. Varying results around the camp path, 25%-60%. Additional planting will be decided one the location of the dune overpass is decided, Spring 2016.**
- 8. New Business- the town is considering a smoking ban at all town**

beaches. Will discuss at upcoming Town council meetings.

9. Meeting adjourned 5:35.
