

A meeting of the Traffic Safety Commission was called to order at the Town Council Chambers, 195 Danielson Pike, Scituate on September 16, 2005 at 8:30 AM.

Members present were Chief Mack, Robert Budway and Richard Iverson. Gerald Round and Ed Rogers were not in attendance. Chief Mack stated that Deputy Chief Collins would be in court and would not be able to attend this meeting.

Motion made by Robert Budway, seconded by Richard Iverson and voted to accept the minutes of the June 17, 2005 meeting.

Chief Mack stated a letter was received from Anthony Caprio requesting a stop sign at the intersection of Water Valley Road and White Birch Circle (see copy herewith). Clerk Lisa Hopkins stated that Mr. Caprio was out of town and unable to attend this meeting. Richard Iverson explained that the intersection is 100 feet across and does not feel the need for a stop sign. Chief Mack explained that this request would have to be recommended to the Town Council for approval. After lengthy discussion, Chief Mack asked clerk Hopkins to contact Mr. Caprio and suggest that he bring letters of support from residence in that area to the next meeting.

Motion made by Robert Budway, seconded by Richard Iverson and unanimously voted to table this request until the December 16, 2005 meeting.

**Motion made by Richard Iverson, seconded by Robert Budway and
unanimously voted to adjourn at 8:45 AM.**

Attest,

Lisa Hopkins, clerk
