

**A meeting of the Traffic Safety Commission was called to order in the Scituate Council Chambers, 195 Danielson Pike, N. Scituate on Friday, September 21, 2012 at 8:30 am.**

**Members present were Colonel David Randall, Marylou Umbriano, Dale Langlais and Deputy Chief Stephen Lang. Councilman David D'Agostino was not in attendance.**

**After the pledge of allegiance to the flag a motion was made by Dale Langlais, seconded by Marylou Umbriano, and unanimously voted to accept the minutes of the June 15, 2012 meeting.**

**Colonel Randall stated a two page letter was received from the State Traffic Safety Commission (dated 8/2/12) in response to traffic safety concerns in the area of Route 101 and Gleaner Chapel Road. Colonel Randall was very pleased with the response, as the State will be making significant changes: (1) All three passing lanes will closed by completing striping changes, due to the passing sight distances not meeting the minimum requirement of 800 feet; and (2) Installation of an intersection warning sign on Rt. 101 westbound, prior to Gleaner Chapel Road. The report noted that an intersection warning sign already exists in the eastbound direction. Colonel Randall advised that he contacted Mrs. Gregory and forwarded a copy of the letter to her and that she appreciated the work of this commission.**

**Colonel Randall stated that State Traffic Safety Commission has on their October 26, 2012 agenda, studies of intersections at Route 12 / Route 116, and Trimtown Road / Rockland Road. The results will be forwarded to this commission once received.**

**Marylou Umbriano asked if anyone knew if the new stop light poles**

**at the intersection of Route 6 / Route 116 will be completed for the Art Festival. Colonel Randall noted that he would speak with Town Engineer David Provonsil.**

**Motion made by Dale Langlais, seconded by Marylou Umbriano and unanimously voted to adjourn at 8:40 am.**

**Attest:**

**Lisa Hopkins, Clerk**
