The 3<sup>rd</sup> annual Gold Day @ the Misquamicut club will be held 5/17/16. See Chief for details.

### **Unfinished Business**

Several months ago the captain was asked to get together ID cards for all active members. There is one in town that WFD & DCFD share. However it has proven difficult to borrow at certain times. Purchasing a new one for our use could cost upwards of \$2000.00 after some discussion the matter was tabled until next month.

### **New Business**

Nothing said.

### **Remarks for the Good of the Department**

Next honor flight will be Saturday June 4<sup>th</sup>, 2016. See FF Koretski for details.

A question was asked if the nightly tone test will be coming back. Chief responded that no it would not be. A comment was made that the CO tests should be done at the monthly meeting. This way they will always be calibrated when needed.

A motion was made seconded and passed to adjourn the meeting at 7:33pm.

Respectfully submitted  
Captain / Secretary Jon Turnberg
