

# **Indian Lake Shores Fire District Council Meeting**

**January 20, 2011**

**Present: President Pat Giarrusso, Penney Hanson, Vice President Kevin Donohue, Council members: Jim Eastwood, Lori Eley, Jean Larson, Bob Persson, Kathleen Spangler, Hiro Uchida.**

**President Giarrusso called the meeting to order at 7:07 PM.**

## **Secretary's Report:**

**The minutes from September 28, 2010 meeting unanimously on a motion made by President Giarrusso and seconded by Jim Eastwood.**

## **Treasurer's Report:**

**Will be submitted at a later date.**

## **Old Business**

- 1) The roadwork on the southern plat completed.**
- 2) The North Dock was approved for new railings at the Annual Meeting. We will wait until Spring to go forward with the project.**
- 3) A spreadsheet with the ILSFD Council member's addresses/phone numbers was distributed**

## **New Business**

**1) A split rail was broken by one of the neighborhood children. It was replaced by the boy's parents. A second rail was destroyed which the boy denied was his doing.**

**2) Lori Eley called Miozzi Construction about the cost of putting a top coat on the parking area of the South Beach. The bid was approximately \$2000 therefore unfeasible without a vote at the Annual Meeting.**

**3) The council will be searching for quotes on a new snow fence for the north beach.**

**4) There was a discussion pertaining to neighbors who have been shoveling out infirm neighbors during the seemingly endless snowstorms that have occurred over the last month. We just wanted it noted that the kindness of others to their neighbors can be heartwarming even in the coldest months.**

**Meeting adjourned at 2000 hours (8PM). The next council meeting will be Tuesday, April 26th at 7 PM at President Giarrusso's home.**

**Respectfully submitted,  
Penney Eustis Hanson  
ILSFD Secretary**
