

Buttonwoods Fire District Meeting Minutes

August 17, 2004

**Attendees: Supervisors: P. Dorsey, S. Fitzgerald, J. Taton,
Treasurer: J. Suffredini**

Called to order: 7:05 pm

1) Use of Security – security services were increased for a two week period in August to address the problem of late-night activity in the Casino area and the woods. Feedback has been positive and late-night activity has decreased. Access to the woods will be reduced by keeping only a foot-path and allowing the wide paths to grow in.

2) Update on Casino Committee Status

Chairperson position remains unfilled.

Dave Greenan has taken over the books and accounting.

Victor Alibrandi will conduct an audit.

Judy Taton is the supervisor liaison to the Casino Committee and will meet with Joe Suffredini, Dave Greenan, Dave Curry, Dave Falaguerra and Patty Charland to outline Casino maintenance needs, budget requirements and accountability for repair work. Goal is to link maintenance plan with restoration plan and overall budget and put a time-table/accountability plan in place.

Electrical work should be completed by end of September.

3) Charge Account for Purchases – recommendation is to open account at Salks for maintenance necessities accessible by the treasurer, one member of the Casino Committee and one member of the Restoration Committee.

Next meeting date: Tuesday September 28, 2004 7:00pm at the Casino

Adjourned 8:05
