**Speed;** The supervisors have received numerous complaints regarding vehicles driving in excess of the posted speed limits in the neighborhood, especially along Buttonwoods and Promenade Avenues. The speed limit on Buttonwoods Avenue is 25 mph, and changes to 15 mph at the second speed bump, as is all the other roads within the Buttonwoods community as posted, and we, as residents must set a good example for others to follow, so please drive slowly, and remind all the drivers in your household to maintain these speed limits for the safety of all.
