### **Any Other Business:**

Advisory Meeting:

Retreat-An early fall retreat was discussed, late September, early October. Location didn't matter anyone. Time of 9-12 or 9-2 was discussed. Time should be used for teambuilding/re-energize, planning, and educating. There should be no down time. Any information that could go out in advance so people can think about the topic ahead of time would be helpful. Planning monthly themes would be a good part of the day.

MOU-This was signed by all parties. Will allow us to apply for additional grant funding because we are able to show the agreement between The BAY Team and our fiscal agent, The Town of Barrington.

Match-Many of our grants require match. It is important for us to capture all possible match dollars.

Funding-MOD ends 10/31/16, so we will need a plan for staffing in November and December. Should we cut hours or pay salaries from unrestricted funds? This was discussed but no consensus arrived at by conclusion of meeting. Also discussed was the need to begin fundraising, possible one major a year.

**Next Meeting:** Our next meeting is scheduled for Monday 9/12/16 at location TBD.
