

Exeter Fire District

(January 29, 2005)

The Exeter Fire District board of commissioners met for a tour of the town public safety buildings at 9AM. Commissioners in attendance were: Ms. Vergano, Messrs Walker, Reed, Nievera, Wilbur and Lacouture. Commissioner Swanson was absent.

Hal Morgan, president of the Dispatch Corp. and dispatcher Bradley Brown, greeted the commissioners at the Dispatch Center. An overview of the radio system was given by Mr. Morgan and Mr. Brown explained the flow through of a call from the time it is received to the notification of emergency vehicles. Current communications and future plans were discussed and questions of the board were answered.

Tom Caito, the Exeter Rescue Corps Commander, explained the duties of the rescue corps members and gave a tour of the corps' rescue building and vehicles. Several EMT's were on hand to explain various pieces of medical equipment and procedures used in the trucks.

Chiefs Kettelle (Station #1) and Franklin (Station #2) gave short histories of their respective departments from the 1940's to the present. The commissioners toured the fire stations and were shown some of the various safety equipment carried on board the different apparatus.

**Respectfully submitted,
Mr. Wm. Nievera, Clerk
Exeter Fire District**
