

Regular Meeting Minutes

Tiverton Recycling/landfill Committee

Thursday March 26, 2015

Town Hall, 343 Highland Road

Members present: Stephen Berlucchi, Steven Rys, Dick Hart, Jay Lambert, Richard Guimond, Jeff Belli

- **Approved minutes**
- **Town administrator informed committee that lots in the industrial park that committee had hoped to locate recycling center are no longer available. Committee continues to hash out a number of possible options. J. Lambert will check with tax assessor D. Roberts about other town properties that may be suitable options.**
- **S. Berlucchi informed committee that the landfill license has expired and that a new application is on file waiting for DEM approval. An addendum has been added to application for an additional three feet of height to existing landfill to allow additional capacity and time before closing landfill.**
- **S. Berlucchi outlined process for bidding out landfill closing cover cost and material cost needed to complete project.**
- **From last meeting a number of updates on cost of trash collection include a cost of 625k for curbside pickup for 2016**
Estimated 1,125,000 for direct haul to Johnston
PAYT revenue 420,000 net
- **Meeting adjourn**

Minutes prepared by Steven P Rys
