

N. Smithfield Parks & Rec Commission

Meeting Minutes 12/28/09

Members present: Phil Paul, Brian Barry, Joe Kozlik, Marc Gagnon, and Ray Pendergast

Members Absent: Donna Caswell, Wayne Narodowy

Meeting Called to order at 6:45 pm

Meeting Discussions:

Minutes from Meeting of 10/26/09. Montioned by Joe Kozlik, seconded by Phil Paul, Approved.

**Old Business:**

Rec Basketball: N.S. Hoops running the program. No issues.

NSES Concession Stand: Ray Pendergast will check on the status of the septic engineering plans.

**New Business:**

Field Information: Ray reported that infield mix has already been added at Kendal Dean and the Meadows fields for the 2010 season. C field at Pacheco does need some additional work. He also reported that the soccer fields held up well for the most part through the fall season.

Volleyball courts: Ray noted that there has been some interest in establishing volleyball courts in town. Early thoughts about locations centered on the high school or converting the tennis courts at Pacheco.

Pacheco Park: There has been some vandalism at Pacheco Park. While minor in nature, e.g. graffiti, broken door handles, commission members expressed the hope that the Police Dept could make more frequent drive-thru's and more occasional "walk-arounds" at the Park.

Next Meeting Location: It was decided to move the location of on-going meetings to the Parks & Rec office at the DPW Garage on Quaker Highway.

Meeting adjourned at 7:35 pm
