

STATE OF RHODE ISLAND

## OFFICE OF ENERGY RESOURCES

### NOTICE

#### **PUBLIC COMMENT PERIOD EXTENDED BY 10 BUSINESS DAYS *PROPOSED RHODE ISLAND LAND-BASED WIND SITING GUIDELINES***

The Rhode Island Office of Energy Resources (OER) recently undertook a review of Rhode Island's current large-scale, land-based wind siting guidelines. The review resulted in the drafting of a new document with updated information and new wind siting recommendations.

OER now gives notice of intent to receive public comment on the proposed guidelines and to afford interested parties an opportunity to submit data, views, or arguments in writing on the proposed guidelines.

Copies of the proposed guidelines can be obtained at OER, at <http://www.energy.ri.gov/renewable/landwind/>, or by calling (401) 574-9106 weekdays from 8:30 A.M. to 4:00 P.M., or by writing or emailing:

Rhode Island Office of Energy Resources  
Attn: Becca Trietch  
One Capitol Hill, 4<sup>th</sup> Floor  
Providence, Rhode Island 02908

[Becca.Trietch@energy.ri.gov](mailto:Becca.Trietch@energy.ri.gov)

OER encourages the submission of written comments.

Originally the comment period was scheduled to close at 5pm EST on Wednesday, March 23, 2016. This deadline has been extended by ten (10) business days. **The new deadline for submitting comments is Wednesday, April 6, 2016 at 5pm EST.** Written comments may be submitted by mail or email at the address or email indicated above.
