Coastal Resources Management Council

General ROW Subcommittee Meeting

April 24, 2007

Present was Chairman Paul LaMonte, member Joseph Shekarchi, member and legal council Brian Goldman. This meeting commenced at 5:50 p.m.

- 1.) **Y-1 ROW / Tuckerman Avenue, Middletown, RI**. Legal council advised the subcommittee that he had been in touch with the Middletown town solicitor in an attempt to have the fence blocking the ROW removed. The town solicitor indicated the he will get back to legal council as to the towns position therefore this matter would be brought up again at the May ROW meeting.
- 2.) **East Transit Street ROW** Legal council advised the subcommittee that he had been in contact with the Mayors office in Providence to try and ascertain the status of the boat ramp project at the East Transit Street ROW and was awaiting a response from the Mayors office.
- 3.) **Overlook Drive Warwick RI / Potential ROW** Legal council indicated that the title examiner was reviewing the title for Overlook Drive and expected that to be completed in the next few weeks. Once that was completed the subcommittee would be advised and a public hearing could be scheduled with the city of Warwick. There being no further business coming before the subcommittee, the subcommittee adjourned at 6:05.
