

DOCK SUBCOMMITTEE – MARCH 3, 2006

Members present – Jerry Sahagian, Ray Coia

Staff present – Ken Anderson

Application **2005-07-096 Bryson L. Hall**

Staff presented Letter of No Objection dated 2/24/06 from affected abutter (to north) agreeing to float separation distance of 40.5' (corresponds to 20.25' property line extension offset for each dock, using approved "Santos" survey (File No. 200-05-053).

Staff noted that Mr. Hall agreed to the distance and condition, per phone conversation with Staff 2/17/06.

Application requires a 25' length variance from Section 300.4.E.3(k) to extend 75' beyond MLW.

Motion made by R. Coia to approve, Seconded by J. Sahagian. Motion passed 2 – 0.
