1. Welcome & Introductions
2. Approved October 6, 2010 Minutes
3. Reviewed and Approved 2010 Goals with Edits (attached)
4. Reported progress on the 2010 State Team Goals

Family Involvement

- 1.1 Improve communication and dissemination materials for families
 - Discussed strategies RTC's and my Transition are using to improve communication system. Will investigate having a presentation on the use of Wikis for parent communication
- 1.2 Improve communication with ARIASE
- 1.3 Increase number of training available for LACs
 - ARIASE has responded with a strong demand for parent training for LACs. State transition conference for parents 12/3/10 – over 100 registered.

Student Focused Planning & Youth Development

- 2.1, 2.2, 2.3
 - RTCs are piloting rubric and calibrating findings.
- 2.1 TLS Network
 - planning a day-long conference this year – details to follow
- 2.2 Self-determination skill development
 - Dare to Dream is being promoted and event presentation materials are being distributed. Steve Kidd is developing a curriculum, workshop will be held at RIPIN on March 1. Also in development are “starting a D2D club” kit, what is D2D – for parents at Tollgate High School the night before D2D

Interagency

- 1.1 Improve and advise the Rhodes to Independence Transition work group
 - Rhodes to Independence is paying for the printing of the Youth Transition Workbook – 4,000 copies. Discussed dissemination plan.
