

**Consolidation Advisory Committee – Minutes**  
**April 22, 2009**

Committee Members Present:

Peter Horoschak, Superintendent/Chair  
Robert Bushell, Director of Elementary Education  
Richard D’Agostino, Director of Special Services  
Lynn Dambruch, Principal – Robertson Elementary School  
Nancy Plumb, Principal – Norwood Elementary School  
David Testa, Parent, Member of Advisory Committee  
Jillian Saytes, Parent, Council President, PTA/PTO

At 6:55 Dr. Horoschak confirmed that the seven Committee Members were present. He asked Attorney Rosemary Healey to explain why this Committee needs to reconfirm and vote once again. Attorney Healey said that the vote taken concerning the recommendation to close John Greene was procedurally incorrect and that the vote taken was by private ballot. We are here tonight to revote the motion made at the last meeting. Dr. Horoschak said the motion was actually a choice to endorse closing John Greene or Warwick Neck School. He asked each member to please indicate which of the schools they would recommend be closed, in order to provide a recommendation to the School Committee. The following is the voice vote:

Robert Bushell, John Greene  
Richard D’Agostino, John Greene  
Lynn Dambruch, John Greene  
Nancy Plumb, John Greene  
David Testa, John Greene  
Jillian Saytes, John Greene  
Peter Horoschak, John Greene

Dr. Horoschak: All members of the Committee recommended that John Greene be the choice to be considered by the School Committee. There will now be a presentation of this recommendation.

Motion by Mr. Bushell, seconded by Mr. D’Agostino, to adjourn.
