Meeting was called to order at 9:05 am by William McGowan.

Roll call was made by Robert Zuba, and there was a quorum

A motion to accept the minutes from the last meeting was made by Paul Feeney and seconded by Steven Mollo. Passed unanimously by the board.

There are no hearings.

Communications: Robert Gaj read an e-mail to board from Wayne Stott, Technical Operations Manager, General Dynamics asking if they need to have a telecommunication license if working on cell towers, they have nothing to do with backhaul or fiber optics; they only use 7/8" to 1-5/8" coax up towers and hand antennas. The answer is yes they do need a telecommunication license.

The building official of Smithfield asked if Verizon employees need to pull a permit to install fiber optics. The answer is yes.

There was a brief discussion on the Burglar/Hold Up alarms that were moved over to DLT from DBR.

Three applications for TSC exam to be reviewed by the board.

1) David LeBlanc, has expired TST license and is requesting a TSC, board denies request and will allow him to take the TST exam.

2) Douglas Denis and Dale Gervais applied for TSC exam, and there applications were approved.

A motion to adjourn was made by Paul Feeney and seconded by

Steven Mollo.

The meeting adjourned at 9:50 am.

The next meeting will be on Tuesday, September 2, 2008
