Call to Order

At 9:20 a.m. Chair Gip Cabral called the meeting to order and requested the Council review the minutes from September 13, 2012 meeting.

Youth Center Presentation

David Banno and Justin Waranis from South County/Tri-Town made a

presentation about what their Youth Centers offer. South county/Tri-Town has 6 youth centers through the state. They serve both older and younger youth and in and out of school youth on both WIA and JDF funds.

The South County/Tri-Town Youth Centers are unique centers because a CAP agency runs the Centers. These Centers not only provides WIA and JDF programs but they provide all the programs and resources South County Community Action/Tri-Town Community Action provide.

WIA Four Year Plan-Youth

Carlos Ribeiro went through the plan with the Council page by page. The Council suggested some wording changes and to add foot notes to clarify certain sections of the plan.

Carlos will make all the necessary changes and Chair Cabral requested a motion to approve the Youth portion of the plan.

Vote: Elizabeth Gilheeny made a motion to approve the plan. Lee Lewis seconded the motion. The motion passed unanimously.

Adjournment

Chair Cabral requested a motion to adjourn at 10:30am.

Vote: David Banno made a motion to adjourn the meeting. Vanessa

Cooley seconded the motion. The motion passed unanimously.

Due to the lack of time the following agenda items will be skipped and placed on next months agenda: Chair Report/Updates, Youth Program Manager Updates, and WIA and JDF reports.

Respectfully submitted,
