- **Earth Day Cleanup - April 20 (Rain Date April 27)**

Waste Management is purchasing the shirts; bags and gloves are donated by Keep America Beautiful; raffle items will include Blackstone Valley River Boat tour passes and plants from the Conservation Commission; Dunkin Donuts will donate coffee, donuts and hot chocolate. We will have one person at DPW as a dispatcher to direct the teams. We will also be encouraging neighborhood cleanups for those who cannot participate that morning. There are already 12 volunteers signed up.

- **Computer recycling event at Farmers' Market – May 11**

The Farmers' Market will offer electronics recycling to residents and businesses on opening day.

- **Family Fair – June 15 (tentative)**

The date is tentative because the Town administration and Town Council approval of the date and location change are still pending.

The theme will be Old Time Burrillville with old time games, popcorn,

cotton candy, etc. The Farmers' Market is considering a Celebrate Burrillville theme for the same day.

- EcoDepot and Shred Event - July 27**

The launch of the new swap shed is also planned for this day.

- PUD Green Festival-September 14**

Location will be moved to the Pavilion this year. Maxman is scheduled to perform and RIRRC will provide public space recycling. Hopefully a road race will be organized in a future year.
