

# **Little Compton School Building Committee**

## **pproved Minutes**

**Meeting held on November 15, 2011**

**Wilbur McMahan School – 6:00 pm**

**Members present: Tom Allder, Superintendent Kathryn Crowley, Mark Rapp, Donald Gomez, John Osborne**

**Members absent: Robert Mushen, Principal Jim Gibney, Dave MacGregor, Ben Gauthier**

**A quorum was present. The meeting was called to order by Chairman Tom Allder at 6:03.**

**The discussion centered on two schedule options that were being considered for the school renovation project. Option #1 would provide a scheduled start date of July 2012, whereas Option #2 would provide for a start date of January 2013. Though Option #2 provided a less aggressive pre-referendum schedule, and did not require the town to fund design services prior to a referendum, the general feeling was that we would be better served by moving forward with an intended July 2012 start date.**

**A motion was made by Superintendent Crowley, and seconded by**

**John Osborne to recommend Option #1 to the School Committee, with the intent to fund the design services required to place this project before the voters. The motion carried unanimously.**

**A motion was made by Chairman Tom Alder, and seconded by John Osborne to adjourn at 7:15. The motion carried unanimously.**

**Respectfully submitted,  
Chairman Tom Alder**
