I. Review and Approval of Last Meeting's Minutes

Motion to accept: Dawn Lewis

- Peter Ginaitt (seconded)
- Approved with revisions noted

II. Status of RICON-800 MHz

Mike Walsh gave an overview and presentation of the status of RICON. June 4 is the upgrade to 7.11. It is a two-week process and we have a detailed upgrade plan that will be coordinated with the upcoming exercises.

III. Old Business

Charter – not voting on it today. Thank you all for your input and it has been revised accordingly. Charter has been shared with our Counsel at the Governor's office for review.

Submission of a proxy-Letters from an agency/company leaders are to submit a designated appointee and alternate. If an alternate is not designated or is unable to attend a written proxy must be sent with the representative to allow for a vote.

The 800 MHz system was discussed. The chair requested that Motorola and Mike Walsh the RICON Manager present a thorough overview of the System at the next ICC meeting which is June 5, 2012 at 9:00am. A focus on correcting busy signals during an event was stressed.

IV. New Business

Joe Swift gave an overview of the EM Stars system.

Rhode Island Common Operating Picture (RICOP)

Frank Floor makes a motion that ICC adopts RICOP system to review how it interacts with other communications in the state.

2nd: Peter Ginaitt

Approved.

Communications mentioned that helicopters in Rhode Island need 800 MHz or VHF radios. The matter will be discussed with MG McBride.

Motion to adjourn the meeting was seconded and passes @ 10:11 am.
