Meeting Began: 1900 hours

◦ Chief Bryer

▪ Council is requesting an MOU.

- BOFW received letter from town**
- Discussion about how we would proceed**
- Last MOU written when JEMS was still doing EMS**

▪ Thursday is quarterly meeting.

- Sandwiches ordered**

▪ 8th grade request for yard sale to be held at the JFD

- This is the fund raiser for the 8th grade trip**
- Dec 3, this is the day of the tree lighting and church fairs**
- Need to find a place for the trucks**

▪ Committee for emergency at school

- Evacuation for the kids is now the JFD**
- There will be an evacuation drill on Friday and they will use the ball fields**

- We will determine what will be done with the trucks**

▪ Accounts as printed

▪ Construction moving along well. The electrician should be

done in the old section this week and we need to get in once they put wall board up. We will be asking for help to get this done.

- 2nd floor deck will be going on this week and will be poured which must cure.

- Possibly a roof will be done after 2 weeks.

- Furnace being installed now.

- One change order – old radio room will need AC, it does not have outside wall.

- Discussed taking generator and AC unit from ambulance barn

- Plumbing being done presently

▪ donations are coming in. Prim is helping with this.

▪ Water restriction still in place. If ambulance or other vehicle needs to be washed bring it to the highway barn. Do not wash personal vehicles

▪ We will be posting job to cover Keith's old job for truck maintenance

- building maintenance will probably be done by same group working for town

◦ Capt Beye

▪ Rescue 1

- it is a mess since it has been stored at the barn, bags are not stored in it

- We need to find storage for the winter

◦ Lieut Caito

▪ Papers have been signed for new truck

▪ His friend has the ability to rebuild engine 2 motor to be used

in old tanker 15. Will also have to repair clutch

- Should not be much more than \$8,000

▪ foam pit was a complete success.

- Thank Eliza, Nancy, Prim, Andrea and Mary Ann for all the work they did

- Popcorn machine from rec center was well received

- \$75 donations came in,

- we used less foam because of smaller area.

◦ Capt Delesio

▪ Asked about East Passage Lot Owners Assoc letters,

- It is still an ongoing issue

▪ Discussion about beginning of new budget

◦ CaptTiexieria

▪ Starting SCBA testing

▪ Burn 3rd week of November

▪ Schedule is out

◦ LieutTiexieria

▪ Steve Friederick, Mike Marotta and Frank Rosa for membership. All EMS.

◦ Capt Brian Bryer

▪ Dave working on generator on Engine 3 – still a problem

▪ New lights are on engine 3, working on head lights and back lights

▪ Working on getting battery operated Jaws.

- We would use our present ones as a trade in.

- It would cost approx \$30,000 for the new ones, possibly from

donations

- **We would try to have a demo for everyone.**
- **This would free up space on engine 3**

◦ Dep Chief Tiexieria

▪ Discussed changes in Marine 1 operation policy

▪ Motion to approve proposed policy changes Delesio, Caito.

All agreed.

▪ Canvas on boat – replace and fix. Approx \$600 - \$700. We will take this out of town account.

▪ Boat is at the highway barn, ready for storage.
