Special notes:

We ask that you use unscented personal care products - that you not wear perfumes or scents to an environmental illness accessible event. Please realize that what may seem to you to be a mild fragrance can constitute a toxic exposure for a person with environmental illness.

The public is welcome to any meeting of the Commission or its committees. If communication assistance (readers/interpreters/captioners) is needed, or any other accommodation to ensure equal participation, please contact the Commission at least three (3) business days prior to the meeting so arrangements can be made to provide such assistance at no cost to the person requesting it.
