

# **HOPKINTON CONSERVATION COMMISSION**

## **Notice of Site Walk**

**Sunday, January 9, 2005**

**1:00 PM**

**Chase Hill Side Campground Project**

**Chase Hill Road**

**Approximately 600 ft east of Oak Street Intersection**

**The purpose of this site walk is to see and have discussion about the area of proposed development, get a sense of what impact it will have on the surrounding neighborhood, and visit the floodplain and riverbank areas that may transfer to the Hopkinton Land Trust. A representative of the developer will be present. Members of other town boards and commissions that may be involved with this project such as Planning Board, Zoning Board, Land Trust and the Town Council are encouraged to attend.**

**Please wear appropriate winter hiking clothing. There are steep and wet areas. Meet at the entrance in the stone wall.**
