

KEYNOTE SPEAKER:

Nicole Alexander-Scott, MD, MPH

Assistant Professor of Pediatrics, Assistant Professor of Medicine

Warren Alpert Medical School of Brown University

Divisions of Pediatric and Adult Infectious Diseases

Dr. Alexander-Scott attended Cornell University, and graduated medical school from SUNY Upstate Medical University at Syracuse. After completing a combined Internal Medicine-Pediatrics residency at SUNY Stony Brook University Hospital, Dr. Alexander-Scott finished a 4-year combined fellowship in Adult and Pediatric Infectious Diseases at Brown in 2009. She is board certified in Pediatrics, Internal Medicine, Pediatric Infectious Diseases, and Adult Infectious Diseases; and obtained a Master of Public Health degree at Brown University in 2011. She serves as a Consultant Medical Director for the Office of HIV/AIDS and Viral Hepatitis at the Rhode Island Department of Health in the Division of Infectious Diseases and Epidemiology. Dr. Alexander-Scott strives to use her focus on infectious diseases to advance public health, with a passion for advocacy, social determinants of health, and addressing health disparities.
