Committee Agenda

ROUTE 138 – DESIGN UPDATES

This meeting is being held to review progress on the final design of the project, particularly with respect to Contract 1, The Railroad (Amtrak) Bridge to Route 108 and review and comment on project elements included in the final design.

Items for resolution include design elements through historic Kingston Village:

- Street Lighting
- Kingston Congregational Church Ramp and Crosswalk

Other items for general discussion include:

- Environmental Permit status
- Fernwood Cemetery Hearing
- White Horn Brook Sewer Force Main Relocation
