

City of Warwick

Community Development

Block Grant (CDBG)

FIRST PUBLIC HEARING

AVAILABILITY OF FUNDS

Program Year 31

July 1, 2005- June 30, 2006

The Community Development Block Grant is made available each year to the City of Warwick by the U.S. Department of Housing and Urban Development. These funds can be used to provide programs, which in general benefit low and moderate-income persons or aid in the elimination of slums and blight in the City's neighborhoods.

The purpose of this hearing will be to review last year's program, while making applications available for year (31) thirty-one projects. A full explanation of program objectives and eligible activities will be presented at the hearing.

All Warwick residents are invited to attend. If interpreters are needed, please notify the City Clerk's Office at least 48 hours prior to the meeting at 738-2000 or TDD at 739-9150.

The next program year, Program Year 31, begins on July 1, 2005, and approximately \$1,033,000 Dollars will be available.

APPLICATION PROCESS:

Groups or agencies interested in submitting applications for projects or programs in the following areas are eligible for funding consideration:

Housing

Economic Development

Rehabilitation or construction of community/public facilities

Public Improvements

Historic Preservation

Human Services

Application deadline is no later than JANUARY 7, 2005 at 3:00 P.M.

These applications must contain:

***a description of the agency or group requesting funding, including its history, current programs, current funding sources and tax status;**

***a description of the program proposed for CDBG funding including expected program results or descriptions of work to be undertaken;**

***the amount of CDBG funds requested and other funds requested or budgeted for the same project/program.**

Applications must be submitted to:

Kevin Sullivan
