IN RE: REVIEW OF POWER PURCHASE AGREEMENT BETWEEN THE NARRAGANSETT
ELECTRIC D/B/A NATIONAL GRID AND COPENHAGEN WIND FARM, LLC
DOCKET NO. 4574

NOTICE OF PUBLIC HEARING

Pursuant to the provisions of R.I. Gen. Laws §39-26.1, the Public Utilities Commission (PUC) will conduct a hearing on **Wednesday, October 21, 2015 @ 10:00 A.M.** in Hearing Room A of the PUC's office located at 89 Jefferson Boulevard, Warwick, Rhode Island.

At this hearing, the PUC will examine the propriety of a power purchase agreement (PPA) executed between The Narragansett Electric d/b/a National Grid and Copenhagen Wind Farm, LLC (Copenhagen Wind) for the potential purchase of renewable power from Copenhagen Wind. The project, referred to as the "Copenhagen Wind Farm Project," is an 80 MW land-based wind project located in New York. The pricing under the PPA is at the fixed price of \$28.75 per MWh for energy and \$50.00 for renewable energy certificates (RECs), and escalates at 2% per year. The project will be interconnected to the Niagara Mohawk Black River to Lighthouse Hill 115 kV transmission line in New York Independent System Operator (NYISO) control area. The expected annual delivery to the Company from the facility is 208,015 megawatt hours (MWh). While the Copenhagen Wind Farm Project is located in New York, the PPA requires the energy and RECs to be delivered into the Independent System Operator New England (ISO-NE) control area.

National Grid's filing and details of the PPA are available for examination at the PUC's office. The filing can also be accessed at <http://www.ripuc.org/eventsactions/docket/4574page.html>. Reference is made to Chapters 39-1, 39-3 and 42-35 of the Rhode Island General Laws.

The PUC is accessible to the handicapped. Individuals requesting interpreter services for the hearing impaired must notify the Clerk's office at 780-2107, seventy-two hours in advance of hearing date.
