1.) Bob Nascimento to update us on Recycling issues

2.) Snow Removal - Snow has arrived! - status of Barry's draft, communications with RIPTA and Town etc.

3.) North Providence Land Use Commission - any issues? Fay unable to attend 12/14

4.) Eminent Domain / Meehan

5.) Community Cleanup update- Dave & Lou

6.) Stop & Shop, Lowes developments – will Lowes add the trees from the original plans?

7.) Holiday party?

8.) ON HOLD UNTIL SPRING - More plantings: Yvonne has some plants overwintering for spots in town - please look for places for

these.

We decided to probably plant the chokeberries near the forsythias.

Early spring

*** Blackgum saplings - beautiful red fall color, slow growing, like wet areas**

*** Crabapple saplings (Sargent Crab)- beautiful spring flowers, fall berries, smallish trees**

*** Chokeberry bush seedlings - native shrub - nice white flowers in spring, berries for birds in fall, bright red fall leaf color: better than burning bush!!!**

OTHER ISSUES – PLEASE EMAIL OR BRING UP AT MEETING
