

DRAFT AGENDA

North Providence Environmental Commission Draft Agenda

Monday Feb. 8th, 2010 - Library

*** 7:15 PM ***

**1.) Recycling issues – No Bin, No Barrel starting in April –
Status of Pay as You Throw**

*** Dave & Lou reporting on Feb. 2 Town Council Meeting**

2.) Earth Day grants applications - Lou

3.) Snow Removal - pictures - status – meeting with Mayor?

**4.) Spring Plantings - When will the ground be thawed
enough to plant?**

**Yvonne has some plants overwintering for spots in town - please
look for places for these.**

**- Probably going to put these in my yard overwinter, plant next
spring.**

We decided last meeting to probably plant the chokeberries near

the forsythias. Early spring

*** Blackgum saplings - beautiful red fall color, slow growing, like wet areas**

*** Crabapple saplings (Sargent Crab)- beautiful spring flowers, fall berries, smallish trees**

*** Chokeberry bush seedlings - native shrub - nice white flowers in spring, berries for birds in fall, bright red fall leaf color: better than burning bush!!!**

5.) Community Cleanup update- Dave & Lou

On hold: *****

*** Eminent Domain / Meehan**

*** Stop & Shop, Lowes developments - will Lowes add the trees from the original plans?**

OTHER ISSUES - PLEASE EMAIL OR BRING UP AT MEETING
