

**\* Establishing a Nominating Committee to choose a slate of officers for the June Council meeting**

**\* A report on the federal stimulus program in the arts, which we are calling Arts Jobs: Solutions for the Ocean State**

**\* Update on public art, including a review of discussions being held by a special Senate commission set up to study the matter**

**\* Review of a draft budget for the coming year (which I, candidly, have not begun to work on yet)**

**\* Review and first approval of the draft Strategic Plan**
