The East Greenwich Citizens Who

Care Coalition is a group of

volunteer members representing

both the private and public sectors

of our East Greenwich Community.

The coalition is concerned with the development, implementation, and advocacy of effective communitybased health and wellness education and prevention programs.

Areas that we focus on are related to promoting wellness, personal responsibility, civic involvement and leadership for our young community members

Monthly meetings on the 3rd Thursday of the month @ 10:00am
