

North Kingstown Prevention Coalition

Working Together For Wellness

Thursday, November 7, 2013

3:30pm – 5:30pm

Beechwood Senior Center, 44 Beach Street, North Kingstown, 02852

The mission of the North Kingstown Prevention Coalition is to raise awareness, provide education and advocate for community change, with our primary focus on youth substance abuse prevention. The NKPC partners with other organizations that can positively influence youth, adults and seniors and interfaces with representatives from intervention, treatment, recovery and healing.
