Public Access Plan Update:

2002-10-045 QUONSET DEVELOPMENT CORPORATION – Five Year update on the Public Access Plan for Quonset Davisville Port and Park, North Kingstown, RI.

Applications which have been Out-To-Notice and are before the Full Council for Decision:

2015-09-104 PROVIDENCE REDEVELOPMENT AGENCY -- Port Expansion Activities: To support the expansion of Port operations and capabilities, ProvPort proposes to develop Lot 288 as a stabilized, paved, open storage yard for temporary storage of approved materials associated with port activities. Specifically, the proposed work represents “Phase 2” of the redevelopment of Lot 288 to include erosion and sediment controls, site grading, construction of a pavement and landscape cap (over contaminated soils), installation of gas vents, construction of stormwater treatment practices including a grass swale and sand filter and other associated landscaping. Phase 1 activities, primarily surface debris and vegetation removal, were previously approved by CRMC Assent A2015-06-036. Phase 3 of the project will include the development of a buffer zone with public access along a portion of the Providence River shoreline. Located at plat 56, lot 288; Harborside Boulevard, Providence, RI.
