February 2011

Dear Rhode Islander:

I am pleased to issue the “Access 2010” report, which measures the General Assembly’s compliance with the state’s Open Meetings law. The annual Access report is part of my commitment to making government more open and accessible.

Since taking office in 2007, we have made more information about government available to the public than at any other time in state history. More than 700,000 individual documents and records are posted on our website at sos.ri.gov. At any time of the day or night, you can find the agenda for your town council meeting, see how much companies are spending to lobby at the State House and review proposed state rules and regulations before they become law.

The Open Meetings law requires most governmental bodies to tell the public about their meetings at least 48 hours ahead of time. Even though the House and Senate are not subject to the law, we monitor their efforts to keep the public apprised of their work. There has been much improvement since I took office:

- House compliance has risen from a 57 to a 94.
- Senate compliance has risen from a 67 to a 90.

The more people know about their government, the better it will serve them. The results that are documented in this report show that our efforts are making a difference.

Sincerely,

A handwritten signature in black ink that reads "A. Ralph Mollis". The signature is written in a cursive style with a large, stylized initial "A".

A. Ralph Mollis
Secretary of State

Glossary

Addition	An addition to a previously posted agenda, usually involving the inclusion of new bills to be heard.
Appointments	A meeting in which the committee considered executive appointments.
Letter= Letter of the Law	Notices that are posted less than 48 hours / 2 days before the date of the committee meeting violate the letter of the law. (Rhode Island General Laws 42-46-6.)
Notice	Each separate document posted by a standing or joint committee of the General Assembly. This includes additions and time/date/place changes, but not corrections or cancellations.
Organizational	The first meeting held by a committee to set up its procedures.
Spirit= Spirit of the Law	Notices that have more than one hearing date/time listed or give no specific hearing date or have unreasonably long agendas violate the spirit of the law.
Recess	A brief break in the legislative session during which committee business can be undertaken.
Revision	A revision made to a previously posted notice.
Rise	An expression used to indicate the end of the day when all the members stand to end the session.
Violations	Committee meeting notices that violate the letter and/or spirit of the law.

Methodology

Compliance Formula:

The number of meetings held in violation by a committee was divided by the total number of meetings held by that committee, and that figure was then multiplied by 100 to get the percentage of meetings that were in violation. The percentage of meetings held in violation was then subtracted from 100% to get the percentage of meetings by the committee that were in compliance with the law. Here is an example: **A committee held 25 meetings and 1 of those meetings was in violation.** $1/25 = .04 \times 100 = 4\%$ of the meetings were in violation. 4% subtracted from $100\% = 96\%$ of the meetings were in compliance with the law.

Percentages and Grading:

Compliance percentages are rounded to the nearest tenth of a percent.

Sections from the General Laws of Rhode Island, the Rules of the House of Representatives and the Rules of the Senate pertaining to public meeting notices

Rhode Island General Law 42-46-6. Notice.

(a) All public bodies shall give written notice of their regularly scheduled meetings at the beginning of each calendar year. The notice shall include the dates, times, and places of the meetings and shall be provided to members of the public upon request and to the secretary of state at the beginning of each calendar year in accordance with subsection (f).

(b) Public bodies shall give supplemental written public notice of any meeting within a minimum of forty-eight (48) hours before the date. This notice shall include the date the notice was posted, the date, time and place of the meeting, and a statement specifying the nature of the business to be discussed. Copies of the notice shall be maintained by the public body for a minimum of one year. Nothing contained herein shall prevent a public body, other than a school committee, from adding additional items to the agenda by majority vote of the members. School committees may, however, add items for informational purposes only, pursuant to a request, submitted in writing, by a member of the public during the public comment session of the school committee's meetings. Said informational items may not be voted upon unless they have been posted in accordance with the provisions of this section. Such additional items shall be for informational purposes only and may not be voted on except where necessary to address an unexpected occurrence that requires immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official.

(c) Written public notice shall include, but need not be limited to, posting a copy of the notice at the principal office of the public body holding the meeting, or if no principal office exists, at the building in which the meeting is to be held, and in at least one other prominent place within the governmental unit, and electronic filing of the notice with the secretary of state pursuant to subsection (f); provided, that in the case of school committees the required public notice shall be published in a newspaper of general circulation in the school district under the committee's jurisdiction; however, ad hoc committees, sub committees and advisory committees of school committees shall not be required to publish notice in a newspaper; however, nothing contained herein shall prevent a public body from holding an emergency meeting, upon an affirmative vote of the majority of the members of the body when the meeting is deemed necessary to address an unexpected occurrence that requires immediate action to protect the public. If an emergency meeting is called, a meeting notice and agenda shall be posted as soon as practicable and shall be electronically filed with the secretary of state pursuant to subsection (e) and, upon meeting, the public body shall state for the record and minutes why the matter must be addressed in less than forty-eight (48) hours and only discuss the issue or issues which created the need for an emergency meeting. Nothing contained herein shall be used in the circumven-

tion of the spirit and requirements of this chapter.

(d) Nothing within this chapter shall prohibit any public body, or the members thereof, from responding to comments initiated by a member of the public during a properly noticed open forum even if the subject matter of a citizen's comments or discussions were not previously posted, provided such matters shall be for informational purposes only and may not be voted on except where necessary to address an unexpected occurrence that requires immediate action to protect the public or to refer the matter to an appropriate committee or to another body or official. Nothing contained in this chapter requires any public body to hold an open forum session, to entertain or respond to any topic nor does it prohibit any public body from limiting comment on any topic at such an open forum session. No public body, or the members thereof, may use this section to circumvent the spirit or requirements of this chapter.

(e) A school committee may add agenda items not appearing in the published notice required by this section under the following conditions:

(1) The revised agenda is electronically filed with the secretary of state pursuant to subsection (f), and is posted on the school district's website and the two (2) public locations required by this section at least forty-eight (48) hours in advance of the meeting;

(2) The new agenda items were unexpected and could not have been added in time for newspaper publication;

(3) Upon meeting, the public body states for the record and minutes why the agenda items could not have been added in time for newspaper publication and need to be addressed at the meeting;

(4) A formal process is available to provide timely notice of the revised agenda to any person who has requested that notice, and the school district has taken reasonable steps to make the public aware of this process; and

(5) The published notice shall include a statement that any changes in the agenda will be posted on the school district's web site and the two (2) public locations required by this section and will be electronically filed with the secretary of state at least forty-eight (48) hours in advance of the meeting.

(f) All notices required by this section to be filed with the secretary of state shall be electronically transmitted to the secretary of state in accordance with rules and regulations which shall be promulgated by the secretary of state. This requirement of the electronic transmission and filing of notices with the secretary of state shall take effect one year after this subsection takes effect.

(g) If a public body fails to transmit notices in accordance with this section, then any aggrieved person may file a complaint with the attorney general in accordance with § 42-46-8.

Rule 13(c) -- The Chair of every committee shall post, in print and electronically, at least forty-eight (48) hours prior to any committee meeting, a list by number and title of the bills and resolutions to be heard at that meeting. Such postings shall be made electronically and on the Legislative Data Bulletin Board. The electronic posting shall be considered the official date of the posting. In the event that the electronic posting system is inoperable then the official posting shall be the printed posting on the Legislative Data Bulletin Board. The Chair shall limit such listings to the number of bills or resolutions he or she reasonably expects can be taken up by the committee at that meeting. Any bill or resolution so posted which the committee is not able to take up at the stated meeting must be re-posted as stated above. Such postings shall be made electronically, and on the House bulletin board or on the Legislative Data bulletin board. Copies of all posted bills or resolutions shall be provided in print or electronically to all committee members and principal sponsors. A committee shall not hear any said bill or resolution without such notice except by the consent of a majority of its members and with at least one (1) day's notification to the principal sponsor. The sponsor may, however, waive such one-day notification. The time requirements of this section shall not apply to House bills returned from the Senate with amendment, or, after the 50th legislative day, to any bill originating in the Senate location. *Note: The House suspended its Rules on June 8, 2010.

There shall be at least two (2) bulletin boards for such posting, at least one (1) of which shall be for the public's use and shall be under the control of and situated at the main entrance to the state library. There shall also be at least one (1) bulletin board for the exclusive use of the senators which shall be situated in a convenient location.

*Note: The Senate suspended its Rules on June 2, 2010.
